The **Spices of Zanzibar**. A taste of the Spice Islands.

Our award winning **Spiced Rum & Gin**, distilled and infused with the finest organic spices from Zanzibar! We work with our partners on the islands to source the highest quality, organic ingredients which are the centre stage of our products.

The Rum is a **5 year aged premium rum** infused with Zanzibar Vanilla, Cardamom, Black Pepper, Nutmeg and other spices. It is perfect to drink neat, or with ginger beer, mint and lime for a Spiced Mojito!

Our Gin is distilled with **7 delicious spices** from Zanzibar for a spiced twist on a London Dry. It is incredibly smooth and perfect with tonic and a slice of Grapefruit.
